KISHORE GLOVES

A Name Of Quality

About Us

With over 5 years of excellence in the industry, Kishore Safety Gloves is leading manufacturer and exporter of premium leather working gloves, proudly serving clients across world especially Europe, USA & Canada. Our reputation is built on a foundation of superior craftsmanship, consistent quality, and dependable service.

Why Choose Us

Premium Quality Materials

Every glove we produce is crafted from carefully selected, high-grade leather to ensure unmatched durability, flexibility, and comfort. Our products are designed to perform in the toughest working conditions.

Strict Quality Assurance

Quality is our top priority. Our highly experienced and professionally trained QC team follows rigorous inspection protocols at every stage of production. Each pair of gloves is thoroughly inspected to meet international safety and performance standards.

Competitive Pricing

We offer cost-effective solutions without compromising on quality. Our efficient production processes allow us to keep prices competitive while maintaining the premium standard our customers expect.

Reliable & On-Time Delivery

We understand the importance of deadlines. Our streamlined supply chain and production system ensure that your orders are delivered on time, every time.

Customer-Focused Service

We believe in building long-term relationships. Whether you're a wholesaler, distributor, or private label client, our team works closely with you to meet your specific requirements and deliver gloves that reflect your brand's standards.

Our Commitment

Quality, Reliability & Excellence.

These aren't just words — they define everything we do. From sourcing to shipment, we are committed to delivering world-class leather gloves that protect hands and enhance productivity.

Let us be your trusted partner in hand protection
